A dog's nutritional needs vary according to its breed, age, size, activity, and environment. Start with this recommended amount and then vary according to your dog's appetite and body condition. If you have a hardworking dog, or a dog exposed to cold weather, these additional factors should be taken into consideration. Clean, fresh water needs to be available all times. **Loyall® Active Adult 26/19 is formulated to meet the nutritional levels established by the AAFCO Dog Food Nutrient Profile for Adult Maintenance.**
